

How to Log In and Manage Your MEDLIFE SLT Booking

Oct 13, 2026 · @Jhon Mejia

This guide shows you how to log in to WeTravel and manage your MEDLIFE Service Learning Trip (SLT) booking, step by step. It's for students, parents, professors, and teachers.

You'll learn how to log in, check your trip details, make payments, complete your trip checklist, raise funds for your trip, and get help when you need it. There's no password to remember: you log in with your email and a one-time code.

Part 1: Log in

Step 1: Go to the MEDLIFE booking page

Open your web browser (such as Chrome, Safari, or Edge), type **medlifemovement.wetravel.com** into the address bar at the top, and press Enter.

Tip: Type the full address, including "medlifemovement" at the start. This takes you directly to MEDLIFE's trips and bookings.

The screenshot shows a web browser window with the address bar displaying `https://medlifemovement.wetravel.com`. The page header includes the MEDLIFE logo and the text "MEDLIFE Movement". The main content area is a white box with the heading "Welcome" and the instruction "Enter your email to sign up or log in." Below this is a text input field labeled "Your Email". A blue "Next" button is positioned below the input field. Underneath the button is the word "or" flanked by horizontal lines. Below the lines are three social login buttons: "Continue with Google" (with the Google logo), "Continue with Facebook" (with the Facebook logo), and "Continue with LinkedIn" (with the LinkedIn logo). The footer of the page contains the copyright notice "© 2026 Wetravel Inc."

Step 2: Enter your email

You'll see a "Welcome" screen with the MEDLIFE logo at the top. Type your email address into the **Your Email** box, then click the blue **Next** button.

Important: Use the same email address you used when you booked your trip. If a parent or guardian made the booking for a student, use the email they used.

*Don't remember which email you used to register? Email **info@medlifemovement.org** and the MEDLIFE team will help you find it.*

Prefer a shortcut? If your booking email is a Gmail, Facebook, or LinkedIn account, you can click "Continue with Google," "Continue with Facebook," or "Continue with LinkedIn" instead.

The screenshot shows a web browser window with the URL <https://medlifemovement.wetravel.com>. The page features the MEDLIFE Movement logo at the top left. The main content area is titled "Welcome" and includes the instruction "Enter your email to sign up or log in." Below this is a text input field labeled "Your Email" with a blurred email address entered. A prominent blue "Next" button is positioned below the input field. Underneath the "Next" button is the word "or" flanked by horizontal lines. Below this are three buttons for social login: "Continue with Google" (with the Google logo), "Continue with Facebook" (with the Facebook logo), and "Continue with LinkedIn" (with the LinkedIn logo). The footer of the page contains the copyright notice "© 2026 WeTravel Inc."

Step 3: Enter the 6-digit verification code

You'll see a screen titled **Enter verification code**. WeTravel has sent a 6-digit code to your email. Open your inbox, find the message from WeTravel, type the code into the six boxes, and click the blue **Sign In** button.

*Check the email shown on screen. It tells you exactly where the code was sent. If it's not the right address, click **Sign In with a Different Method** to go back and try again.*

*Didn't get the code? Check your **Spam**, **Junk**, or **Promotions** folder first, since school and university email accounts sometimes filter these messages. If it's still not there, wait for the short countdown to finish and click **Resend**.*

Tip: Keep this page open while you check your email so you don't have to start over.

Did a parent or guardian register for you?

If your parent or guardian made your booking, the 6-digit code will go to **their** email, not yours. Let them know ahead of time so they're expecting it.

Why are they getting this code? MEDLIFE uses a platform called **WeTravel** to manage bookings and payments for the Service Learning Trip (SLT). The code is simply a safe, one-time login key that lets you access the booking. There's no password involved, and the code doesn't share any payment or personal information.

Tip: Ask your parent to forward or text you the code as soon as it arrives, or log in together.

Message you can send your parent:

Hi! I'm logging in to manage my MEDLIFE SLT booking. You'll get an email from WeTravel with a 6-digit code in the next few minutes. It's safe, it's just the login code for the booking you made for me. Can you send it to me when it arrives? Thanks!

Part 2: Your Manage Booking page

Step 4: Explore your Manage Booking page

Once you sign in, you'll land on the **Manage Booking** page. This is your home base for everything related to your trip. Here's what you'll find:

- **Trip details (top):** your trip name, dates, and number of travelers. Click **View trip** to see the full trip description and itinerary.
- **Payment Status (left):** how much is due now, how much is due later, and your next payment amount.
- **Your checklist (right):** a "Let's get you prepared" box with the tasks to complete before your trip.
- **Booking Summary (bottom):** the package you booked, plus options to **Add travelers** or **Buy add-ons**.

Check your trip details: At the top of the page, you'll see your SLT name, dates, and location (for example, "Summer 2027 | Mobile Clinic SLT | Kilimanjaro, TZ | Jun 12-20"). Make sure this matches the trip your chapter selected. If it doesn't match, let us know at info@medlifemovement.org so we can change it to the correct location and date.

Tip: Come back to this page anytime to check your progress.

Step 5: Check your payment status

In the **Payment Status** section, you'll see what you've paid so far and your remaining balance:

- **Past due:** any amount that should already have been paid (shown in red).
- **Due later:** the remaining balance for your trip.
- **Next payment:** the amount of your next scheduled payment.

Step 6: Make a payment

Click the green **Make a payment** button. A payment window will open with three options:

- **Pay due at booking:** pays the scheduled amount that's currently due.
- **Pay all remaining installments:** pays your full remaining balance at once.
- **Pay:** lets you type in any amount you choose.

Good to know: You can pay toward your trip at any time, in any amount. There's no need to pay the full balance at once. Just select **Pay**, type the amount you'd like to put toward your trip, and you're set.

Choose your payment method. Under **Payment Method**, you'll see the card saved on your account. To use a different card, click the arrow on the right to open the menu, then select **Add payment method** and enter the new card details. Once it's added, you can select it as your payment method for this and future payments.

Paying with a parent's or someone else's card? This is where you'd add it. Just make sure you have their permission first.

Then click **Confirm Payment**.

*Want to never miss a payment? Check **Turn on auto-pay**, and your selected card will be charged automatically on your scheduled payment dates.*

*Tip: You can switch the language using the **EN** button at the top, and the currency using the **USD** button on the right. All transactions are secure and encrypted.*

Part 4: Your trip checklist

Step 8: Complete your trip checklist

On the right side of your Manage Booking page, you'll see a box that says **"Let's get you prepared"** along with a countdown to your trip. This is your to-do list before you travel:

- **Make a payment:** pay your deposit or put money toward your balance (see Step 6).
- **Sign your document:** review and sign your Participation Agreement.
- **Complete your info:** fill in your traveler details.
- **Get travel insurance:** add optional upgraded insurance for your trip.

Click any item to open it. Items marked **Past due** in orange need your attention first. As you finish each task, it will be checked off, so you can easily see what's left.

Tip: Don't wait until the last minute! Completing your checklist early makes the weeks before your trip much less stressful.

Step 9: Sign your Participation Agreement

Click **Sign your document** in your checklist. This opens the MEDLIFE **Participation Agreement**, which explains the terms and conditions of your trip.

Read through the agreement carefully so you know what to expect, then add your electronic signature (e-sign) to complete it. Once signed, the item will be checked off in your list.

Tip: The agreement covers important details about your trip, so it's worth reading in full. If anything is unclear, email info@medlifemovement.org before signing.

Step 10: Complete your information

Click **Complete your info** in your checklist. A **Traveler information** window will open with your name and two forms to fill out: **Checkout Info** and **Info II**. Click the arrow next to each one to open it.

Fields marked with a red asterisk () are required. The rest are optional, but filling them in helps us give you the best trip experience. You can come back and update your information as many times as you need.*

Important: Your name must match your passport exactly. Everything you enter **must be written exactly as it appears in your passport**. If you registered with a nickname, correct it here. For example, if you signed up as "Lizzie" but your passport says "Elizabeth," or as "Eli" but your passport says "Elijah," update it to your full legal name. Some official documents we issue for you, like your travel insurance, must match your official identification.

Part 1: Checkout Info (basic information). This form asks for:

- **Personal details:** first and last name, email, phone number (include your country code), address, and date of birth.
- **Gender:** used for room assignments.
- **T-shirt size:** S, M, L, XL, or XXL.

- **Dietary restrictions:** choose None, Vegetarian, Vegan, Gluten Free, No lactose, or Other. If you choose "None," chicken is the only meat served.
- **Medical notes and allergies:** tell us about any medical conditions, allergies, injuries, or mental health concerns. For more detailed or private information, email trips@medlifemovement.org.
- **Emergency contact:** name, phone number, and email of someone we can reach if needed.
- **Terms of Service:** click **Read more** to review the trip terms (including deposit and payment deadlines), then check the box to agree.
- **Passport details:** passport number, expiration date, the country of your passport, and a passport photo.

Step 11: Get travel insurance (optional upgrade)

Click **Get travel insurance** in your checklist. You'll see a short overview of the upgraded coverage, which may reimburse you for situations like needing to cancel your trip, missed flights, and medical emergencies while traveling.

To see the full coverage details and price, click **Add insurance**.

Good to know: Every SLT already includes **emergency insurance**. This step is an **optional upgrade** that adds extra protection, such as trip cancellation and missed flight coverage. Review the details and decide what's right for you and your family.

Tip: Parents may want to compare this with any travel or health insurance the family already has before deciding.

Part 5: Raise funds for your trip

Step 12: Collect contributions (optional)

Want help funding your SLT? Scroll down on your Manage Booking page to the **Collect Contribution** section. Here you can turn your booking into a contribution page, similar to a GoFundMe, where friends, family, and anyone who wants to support you can contribute directly toward your trip.

Click **Share your contribution page** to create your personal link. Once it's ready, you'll see:

- **Your link:** click the copy icon on the right to copy it.
- **Share a link:** share it directly by text, email, or social media.
- **View your contributions page:** see what your page looks like and edit it.

Students under 18: talk with a parent or guardian before sharing your contribution link publicly.

Step 13: Personalize your contribution page

Click **View your contributions page** to see what your supporters will see. Your page shows your trip name, location, and dates; your fundraising goal, with how much has been raised and how many people have contributed; and a green **Contribute Now** button supporters click to send their contribution.

To make your page your own, click the blue **Edit Page** button. You can change:

- **Your photo:** click the pencil icon on the circle to upload a picture of yourself.
- **Title:** a short headline, like "Please support my trip to Kilimanjaro this Summer."
- **Name:** how your name appears on the page.
- **Description:** your story. Share where you're going, what you'll be doing, and why this trip matters to you.

Click **Save Changes** when you're done.

Tip: A friendly photo and a personal story make a big difference. Instead of the default message, try something like: "This summer I'm joining a MEDLIFE mobile clinic in Tanzania to help bring healthcare to communities in need. Every contribution, big or small, brings me

one step closer!"

Part 6: Get help

Step 14: Contact us

Have a question about your trip, payments, or the cancellation and refund policy? Scroll to the bottom of your Manage Booking page to the **Contact, Cancellation & Support** section and click **Message organizer** to send a message directly to the MEDLIFE team.

You can also email us anytime at info@medlifemovement.org.
